**COVER THE  
BASES**

**Strike  
Out Fire**

Coloring & Learning Sheet  
Grades Pre K-3

Hey kids!  
Here's how YOU can  
Strike Out Fire at home.  
Color these bases to  
stay safe.

## Heating Safety

Heaters need  
lots of space!

Keep kids, pets,  
papers, clothes,  
and curtains away  
from heaters.

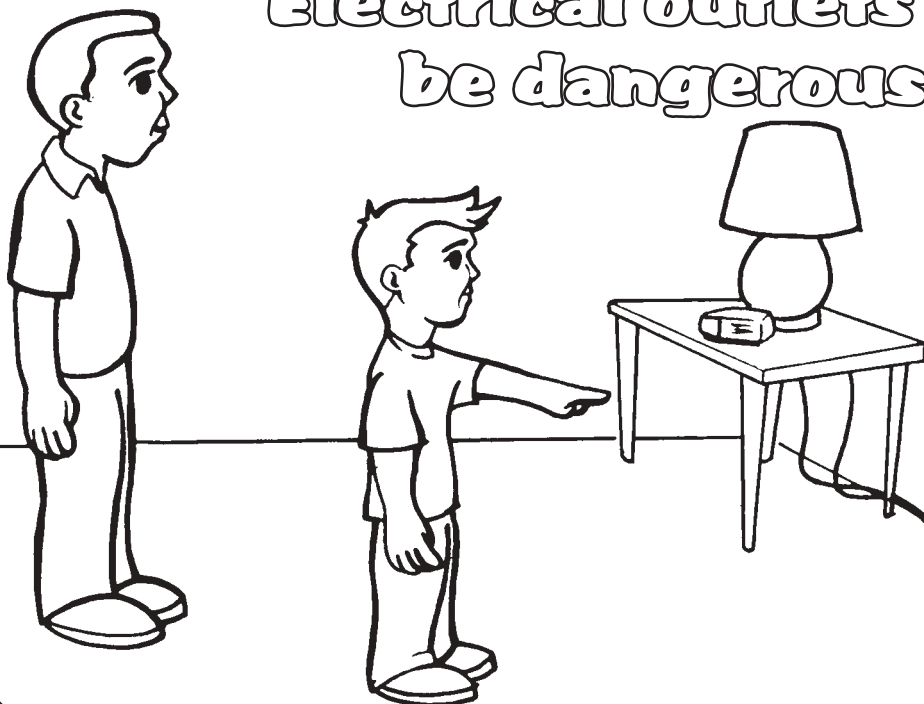

Join our fire safety team,  
and strike out fire!

## Electrical Safety

Electrical outlets can  
be dangerous!

Tell a grown-up  
if you see too  
many things  
plugged in one  
outlet. Don't  
touch outlets!

## Kitchen Safety

The  
kitchen  
is no  
place to  
play!
